Errata for PhD thesis:
Text Clustering Exploration
Swedish Text Representation and Clustering Results Unraveled

Magnus Rosell, 2009

Important errors
• p. 18, second bullet,
  remove “but do not co-occur.” They can co-occur.
• Paper VII, Section 1, second bullet,
  remove “but do not co-occur.” They can co-occur.

Less important errors
• Paper III, Section 7, Equation 2,
  should be \( MI_{\text{word}}(C, K) = \frac{MI(C; K) - MI(C_{\text{word}}, K)}{MI(C_{\text{word}}, K)} \)
• Paper VII, Section 2, 6th paragraph,
  “If we increase d...” should be “If we increase \( \omega \)...”
• Paper VIII, p. 18, first paragraph,
  should be “more than 50 000 lines of Java code”.

Other errors
• p. 34, there is no Equation 3.26, just one row too many in the formula.
• Paper VII, Section 5
  “\( \text{win}_{\omega} \)-\( n \)” “\( \text{text} \)-\( n \)” and “\( \text{win}_{\omega} \)-\( n \)-\( \text{const} \)” should be
  “\( n \)-\( \text{win}_{\omega} \)” “\( n \)-\( \text{text} \)” and “\( n \)-\( \text{win}_{\omega} \)-\( \text{const} \)”.
